GENERAL INSTRUCTIONS

NOTE: PLEASE READ VERY CAREFULLY.

If you need information about the meaning of any question, contact your nearest VA regional office. If additional space is needed for any item, use Item 24, Remarks, page 6 or number a separate sheet of paper to correspond to the items you are answering and attach the sheet to the application.

A. DISABILITY PENSION is paid for permanent and total disability not resulting from service in the armed forces. Pension is paid only to veterans of wartime service.

Benefits may only be paid from the date of receipt of your application in VA unless you were incapacitated because of a disability which prevented you from filing a claim for a period of at least 30 days beginning with the date you became permanently and totally disabled. If you want this claim considered as a claim for retroactive payment, so indicate in Item 24, Remarks, and identify the specific disability which prevented you from filing.

B. REPRESENTATION. You may be represented, without charge, by an accredited representative of a veterans organization or other service organization, recognized by the Secretary of Veterans Affairs, or you may employ an attorney to assist you with your claim. Typical examples of counsel who may be available include attorneys in private practice or legal aid services. If you desire representation, let us know and we will send you the necessary forms. If you have already designated a representative, no further action is required on your part.

C. HEARINGS. You have the right to a personal hearing at any stage of claims processing, either before or after a decision is made. This right may be exercised with regard to an original claim, supplemental claim or with regard to any subsequent action affecting your entitlement. All you need do is inform the nearest VA office as to your desires, and we will arrange a time and place for the hearing. You may bring witnesses if you desire and their testimony will be entered in

will furnish the hearing room, provide hearing officials, and prepare the transcript of the proceedings. VA cannot pay any of your expenses in connection with the hearing.

D. EVIDENCE - GENERAL. Furnish a statement from your doctor showing the extent of your disabilities with your application. If you are a nursing home patient, you should furnish a statement signed by an official of the nursing home showing the date of your admission and patient status. Also, indicate in Item 24, Remarks, that you are a nursing home patient and give the name and address of the nursing home. Be sure to include the ZIP Code.

E. REPORTING NET WORTH FOR PENSION FOR DISABILITY NOT RESULTING FROM SERVICE. Pension cannot be paid if net worth is sizeable. Net worth is the market value of all interest or rights in any kind of property except ordinary personal effects necessary for daily living such as automobile, clothing or furniture, and the dwelling (single family unit) used as your principal residence. Therefore, all other assets must be reported so that we may determine whether net worth prevents you from receiving pension benefits.

F. INCOME LIMITS AND RATES OF PENSION. The rate of pension paid to a veteran depends upon the amount of family income and the number of dependents, according to a formula provided by law. Because benefit rates and income limits are frequently changed, it is not feasible to keep such information current in these instructions. Information regarding current income limitations and rates of benefits may be obtained by contacting your nearest VA office.

(1) A higher rate of pension is payable to a veteran who is a patient in a nursing home or otherwise determined to be in need of regular aid and attendance or who is permanently housebound due to disability.

(2) Pension rates are also increased for a veteran who served during the Mexican Border Period or World War I.

GENERAL INSTRUCTIONS (Continued)

IMPORTANT

THERE ARE CERTAIN TYPES OF INCOME WHICH MAY BE EXCLUDED IN DETERMINING THE INCOME COUNTABLE FOR VA PURPOSES. HOWEVER, YOU MUST REPORT THE SOURCES AND AMOUNTS OF ALL INCOME BEFORE DEDUCTIONS FOR YOURSELF, SPOUSE, AND DEPENDENT CHILDREN. WE WILL DETERMINE ANY AMOUNT WHICH DOES NOT COUNT. INCLUDE ALL SEVERANCE PAY OR OTHER ACCRUED PAYMENTS OF ANY KIND OR FROM ANY SOURCE. WHEN NO INCOME IS RECEIVED OR EXPECTED FROM A SPECIFIED SOURCE, WRITE "NONE" IN THE APPROPRIATE BLOCK (ITEMS 22A THROUGH 23C). IF INCOME FROM ANY SOURCE IS ANTICIPATED BUT THE AMOUNT IS NOT YET DETERMINED FURNISH YOUR BEST ESTIMATE OF THE AMOUNT EXPECTED AND EXPLAIN IN ITEM 24, REMARKS.

G. FAMILY UNUSUAL MEDICAL EXPENSES are amounts actually paid by you that are not reimbursed by insurance or otherwise. We can reduce your income for VA purposes (and increase your rate of pension) if your medical expenses qualify for exclusion under the formula provided by law. If you are awarded pension, you will have an opportunity to report your medical expenses approximately a year after the effective date of your award. You should keep a record of

expenses you pay after you become entitled to pension and report those for which you will not be reimbursed on a form that will be provided. Normally, an adjustment for medical expenses is made at the end of the income reporting year and results in a retroactive payment to you. However, if your income is static and you have a consistently high level of medical expenses (such as nursing home fees), make a statement to that effect in Item 24, "Remarks," and it may be possible to increase your rate without waiting until the end of the year.

H. LAST ILLNESS AND BURIAL EXPENSES. Your countable income may be reduced by the amount of expenses of the last illness and burial of a spouse or child paid by you at any time prior to the end of the year following the year of death for which you were not reimbursed. Use Item 24, Remarks, to report such expenses.

I. EDUCATIONAL OR VOCATIONAL REHABILITATION EXPENSES are amounts paid for courses of education, including tuition, fees, and materials and may be deducted from the respective incomes of a veteran and the earned income of a child if the child is pursuing a course of postsecondary education or vocational rehabilitation or training. If you or your school child(ren) paid these expenses, report the total amounts paid, dates of payment, and state to whom the expenses apply.

SPECIFIC INSTRUCTIONS

A veteran applying for total disability benefits should complete this form when requested. All questions should be answered fully and accurately, after first carefully reading the following instructions numbered to correspond to the items on the form. If more space is required, attach additional sheets and identify each answer by item number. Be sure to include your name and VA file number on each additional sheet.

Items 1A and 1F - In Item 1A, enter your own Social Security number. In Item 1F, enter your spouse's number.

Item 3A - If you checked the married box, furnish complete information concerning all marriages and the termination of such marriages, for you and your spouse. Include specific details for the date, place and manner of dissolution of marriages. If your spouse is also a veteran, include his/her VA file number (if known) in Item 3F.

Item 8 - The term "child" includes any unmarried natural, adopted or stepchild who is (1) under age 18 or (2) over 18 years of age and under 23 who is attending a school, or (3) of any age if permanently disabled prior to age 18.

Items 11C and 12C - In the columns headed "Months Worked," state time actually worked. For example: state if you worked full time for 2, 4, 6, 8, or 10 months. If you did not work full time each month, state the months or parts of months actually worked. For example: 2 months, 1 week, 2 days.

Items 11E and 12E - "Total Earnings," should include not only your cash earnings but other benefits received from your employer in lieu of cash, such as room, board, or goods, received as part of your payment for work performed. The estimated value should be included in the amount of wages or salary reported.

Item 19 - Net worth is the market value of interests or rights in any kind of property except personal effects necessary for daily living such as an automobile, clothing or furniture, and the dwelling (single family unit) used as your principal residence. Net worth must be reported for yourself and for all persons for whom you are claiming benefits. If property is owned jointly by yourself and your spouse, report one-half of the total value held jointly for each of you.

Items 20, 21, 22, and 23 - Report the received and expected income for yourself and all persons for whom you are claiming benefits. You must report all income from all sources. When reporting income, report the total amount before any deductions, not the amount actually received. If income from two or more sources should be reported on the same line, list each amount separately and clearly indicate the source on a separate sheet of paper. If you and your spouse receive income from dividends, interest, rents, investments or operation of a business, profession or farm, which you own jointly, report one-half of the income as yours and one-half as your spouse's. Report Social Security benefits on Line 22A and Supplemental Security Income (SSI) benefits on Line 22F.
